The second line starts at measure 5 and continues: Id - ge - ty fid - ge - ty e - vry-where this is how it goes!

Idgety fidgety shoulders
Idgety fidgety knees
Idgety fidgety nostrils
Try hard not to sneeze!

Idgety fidgety elbows
Idgety fidgety bum
Idgety fidgety body
We're having lots of fun

Scamper to the window
Scamper to the door
Scamper to the ceiling
and back down to the floor

Idgety fidgety belly
Idgety fidgety chest
I'm getting tired of fidgeting
I think I need a rest!
